FORM NO. 30-4
SEP 1947

SUBJECT: ICTS Standards on Classification
and Security of Information

2. Mr. Foley stated that the CIA letter would be presented to the ICIS on Wednesday, 13 October, and if any questions came up they would probably be raised at that meeting. No final determination would be made on the final issuance, however, as answers have not come from other interested agencies. On the basis of this conversation, it appears that no further action is required by CIA at this time.
